ENGLISH VERSION

Marco Isaia has recently joined the world's largest human capital consortium, Cornerstone International Group, headquartered in Los Angeles, California. Isaia will begin by using the resources of Cornerstone Milan and Cornerstone Rome, with the intent of opening the new Cornerstone Torino office.

After a degree in political science with emphasis on economics from the University of Turin, Isaia held key positions in "HR and Organization" within well known divisions of the **FIAT** Group such as Teksid (steel industry), Magneti Marelli (automotive components), and SNIA BPD (chemical, defense, and space).

When requested to move up to 360° managerial roles, Mr. Isaia became General Manager of Sorin Biomedica (bio-engineering). Initially, he served as General Manager of the Oncology Research Center in Nerviano (**Pfizer** spin off in pharmaceutical research) and CEO of **FILA** (sport apparel and shoes).

Since 2006, Isaia has served as senior management consultant for the development of entrepreneurial initiatives mostly in the fields of Texile/Clothing, Medical Devices, Healthcare and Wellness.
